

Product Type: Spring-cage terminal

## Product Name:254381

Product Description: Connection method:Spring-cage connection,IEC Rated Current:24A,IEC Rated Voltage:800V,Number of connections:4,Number of levels : 1,Cross section:28-12AWG

### Product Size

### Parameters

|                                                                                                         |        |
|---------------------------------------------------------------------------------------------------------|--------|
|  SUPU ID               | 254381 |
|  Width                 | 10mm   |
|  Number of levels      | 1      |
|  Number of connections | 4      |

|                                            |                        |
|--------------------------------------------|------------------------|
| ☞ Connection method                        | Spring-cage connection |
| ☞ Protection Level                         | IP20                   |
| ☞ Insulation material                      | PA66                   |
| ☞ Insulation material group                | I                      |
| ☞ Contact material                         | Copper alloy           |
| ☞ Contact plating                          | Sn,Plated              |
| ☞ Ambient temperature (operation)          | -40°C~105°C            |
| ☞ Ambient temperature (assembly)           | -5°C~70°C              |
| ☞ Ambient temperature (storage)            | -25°C~60°C             |
| ☞ Permissible humidity (storage/transport) | 30%~70%                |
